I filed this Law suit in 2/29/05

The Town of Saugus did not answer

The court's order's at all it took

13 month's to answer anything in the

case They did not answer the summons

from this court and they answer the

Default Judgment 7 month's after

the due date They had 14 Day's after

the Default to answer they did not

They showed no respect to this court

There is no cause to set aside the default

VASAPOLLI Blames the insurance company VASAPOLLI says

He heard about my Default Judgment it took him

13 month's to find out he is counsel for the Town

of Saugus He should know better than that

I am not a lawyer and I know when to
